EDITORIAL

Well easter has been and gone once more. Those of us who made it to the get together at Ballarat had a thoroughly good time. Will write more about our trip next month.

This month we have the information sheet on the National Meeting in Sydney for next Easter, and also a registration form. We also have a plea from Phil Crowther requesting articles for The Anything But Average magazine. I am sure we can look after him in this matter.

At the delegates meeting it was put forward that the bi-annually get together be more along the lines of the Swan Hill meet. Those who attended will remember the accommodation was in the form of Caravan Parks and Motels. With everyone finding their own meals. This takes a lot of strain off the Host club, and will also keep the price down for those families with small children.

As it's Queensland's turn to host the 1994 Get Together we no longer have to look for a convention centre, but rather an area with camping facilities and Motels to accommodate members of a Car Club

1995 National Meeting will be hosted by Victoria. They have already done their homework and found a nice place situated between Melbourne and Sydney. it was a workers village built in the Mid 70s the club has already started to sort out an Itinery so this is one we won't miss.

The categories for the Concourse will be voted on at next years delegates meeting.

The 25th Anniversary meeting will also be discussed at next years meeting.

The meeting finished with a round up of the clubs present.

Dear Committee People,

I have the honour of being elected as the editor for the 1993 edition of ABA, and having sampled the variety of articles, both fact and fiction, presented in previous editions of ABA, I am anxious to solicit articles of at least equal quality for the '93 edition.

To this end, I am asking that each Owners' Club committee supply me with the following information, in approximately the following quantities.

NUMBER OF PAGES	TYPE OF ARTICLE, ETC.
1 page	Title page (headed "State" supplement)
1 page	Current Committee, names and photos
1 - 2 pages	Membership list, with addresses
2 x 2 pages = 4 pages	2 x P stories with at least 1 1/2 pages of script and 2 or 3 photos
2 pages minimum	Reports on recent club activity.
2 pages	Club photos of members, activities, P's.
2 pages	Homegrown Tech-mods or ideas.
2 pages	Historical stuff or reprints.

As you can see, ideally this format would provide me with about 15 pages of material per club, and this size of contribution would give each club its fair share of exposure, and I would like to give notice that the final absolute deadline for all contributions will be last mail, C.O.B. Friday 27th November, 1992.

If in a years time, all the present Owners' Clubs are going strong, then the '93 Nats at Stanwell Tops near Sydney should be the best yet, and our editorial committee intends to make the '93 ABA a complete and fitting memoir of that occasion. With your support, it shall be.

I thank you in advance for your enthusiasm in devoting your time to help us in this regard.

Our postal address remains P.O. Box 76, Kenthurst 2156 and my home phone number is (02) 428-4146 (between 7 and 8pm E.S.T. please).

We look forward to hearing from you in the near future.

I remain,

Yours truly,

 14/3/92

***** P76 20TH ANNIVERSARY - EASTER 1993 *****
NEWSLETTER NUMBER 1

Greetings P-Nutz all over the world! As you are no doubt aware, 1993 is the twentieth anniversary of the release of the immortal P76 and the Sydney Club is hosting the 20th Anniversary celebration over the Easter long weekend, April 8 - 12. This is the first update on proceedings for the weekend which we hope will be the first of many INTERNATIONAL meetings, rather than a National meeting. That's right, we want to see P-Nutz from New Zealand, England and anywhere else all come along and forget any international rivalries while we celebrate.

Getting down to the serious stuff, the venue has been chosen, the activities are being organised, and the horrible task of costing out the weekend is now completed. The venue is:

Grevillea Place
Stanwell Tops Christian Conference Centre
off Bendena Gardens Road
Stanwell Tops, NSW
phone (042) 94 1430

Grevillea Place is part of the 38 hectare Centre, and accommodates 130 people in 26 hostel-type rooms with double bunks. It includes a dining room, lecture room, games room, sporting fields and a swimming pool. Linen is not provided but can be hired at extra cost. The Centre advises that due to its charter, the consumption of alcohol on the grounds or in the buildings is not permitted.

In order to make the weekend a financial possibility for as many people as possible, we have kept the costs to an absolute minimum and are covering as much as we can from fund-raising and donations prior to the event. This means that once you have paid your registration fees, all activities other than the optional Saturday night and Sunday tours are FREE!!! A copy of "Anything But Average" is also included in the registration fee - further copies will be available for sale.

Attached is a Registration Form for the weekend. Due to the range of accommodation available in the Helensburgh area (details to follow) and the fact that some Sydney members will want to miss the fun by staying at home rather than on-site, there are a number of options available. All you have to do is pick the one that suits you, fill in the form and send it with your cheque to the address shown. See, it's that easy!
