EDITORIAL

1996, Another New Year. Hope you all had an enjoyable Christmas. Good news from Diedre Humpherys, She is well on the road to recovery, and getting around quite well on her crutches. Our christmas break up lunch at Acacia Ridge was well attended although not as many as the previous year. The Leagues club put on an excellent fare.

An update on the National get together is included. It looks to be coming along nicely. Looks like we may have to get out our cowboy hats and dust off the boots for a western theme Sunday night out. If you haven't already made your booking do it as soon as possible as they will need to know numbers for catering.

The Social Calendar is starting to fill up, We still have a few free dates left.

The Observation Run organised by Brett has been scheduled for May 26th.

We were hoping to visit the Woodford train museum this sunday. However after a phone call I learned that the museum would be closed this weekend so have slotted it in on 23rd June.

The trip to Blackbutt on 2nd March is well under way. On Saturday at 10.00am will be a Parade starting at the show grounds and finishing at the school oval, The parade will be led with Horse drawn vehicles through to modern day transport. Gray and I will be travelling up early on Saturday morning. We have booked powered sites for Allan Schutz and ourselves, for the saturday night. And The Warnocks have booked into the Hotel, If anyone else wishes to join us the Phone No for the Hotel and caravan park is 071 630 500. and is at 69, Coulson st. (D'Aguilar Highway). Following the parade we are invited to display our cars inside the school oval. where craft markets are being held in conjunction. Plenty of food will be available, Burgers etc. At 5.00pm in the Town Hall there will be bush dancing and dinner will be available at \$10-00 per head.

Sometime later in the year will be another Observation run on the Gold Coast, This time in Aid of The Nurse of the Year Quest, with the proceeds going to the Cancer Fund. The date has yet to be announced.

See you this weekend.

PAT

ROGO RAVES

Hi, It's the ROG. A very happy and prosperous new year to all you P drivers. I wonder what 1996 has in store for us. We have already got things happening in the club. I think our P76 is slowly becoming a collectors car, I have had a few phone calls just of late from people wanting to buy a good P, I think they are getting harder to come by, also people are after the V8 Motors. One thing which comes to mind was Neville Humpherys P. although a write off, went to Auction and was sold for \$1600-00, A lot of money for a write off, so maybe the wrecks we have all got in our back yards may be worth something soon. Pat and I had a great New Years Eve thanks to Col and Sandra Warnock of Lismore. Along with The Schutzs and Shaws. We were also joined by most of the Northern Rivers Club. I wont go into details as I don,t have the room, but thanks for the P-Port Allan and Thanks once again Col and Sandy for putting up with us.

Talking about Port. Del and Col Murray dropped in to see us last week. They were on their way back from visiting Canada Ireland England Scotland and Wales. They had a wonderful time but had picked one of the coldest winters on record. As they weren,t able to get back to Karumba that week owing to floods, they stopped off in Brisbane for the weekend. When Col and I knocked off 2 1/2 bottles of Port. If anyone is visiting Karumba drop in and see them. Col will supply the Port. (Ha Ha).

A great report came in from the New Zealand Club. They have had a big rally over there, The Targa Rally. The club entered a Targa Florio and lookin at the pictures of the car and back up vehicle, also a P. They look great. I think it was over a course of 2000 Kms, and the P did brilliantly. They came 59th overall and 4th in their class. Unfortunately copyrite prevents us from reprinting the report, But if anyone would like to read it contact me for a loan of the New Zealand Magazines.

PARTS:- Yes we have finally come up with someone who can make impellars for the water pumps, we are about to order some of them. Also I am working on reconditioned lower control arms. We may have a new way to get the ball joint done. A figure of 40 to 50 dollars is being looked at, more on them soon.

Some of our trips we have planned this year are looking good. Our first big one is a trip to Blackbutt for the Heritage Day Pat and I and a few more are going to make a weekend of it. So anybody who wants to come contact Pat or myself.

And of course the easter weekend at Cockburn. It,s a western theme for the Presentation night. I,ve already got my outfit and my Six Gun Yippee Hi Ay. Well I had better stop raving on and go to bed. See you all at the next meeting.

ROGO

P.S Thanks for organising the Bushes Jim Sear.

SOCIAL CALENDAR

SUNDAY JANUARY 28TH
Although a long weekend we have only planned a day out on the Sunday. Instead of the trip to Woodford as originally planned we will take a short trip to Redcliffe. Meeting at the B.P. at Burpengary at 9.30am. Along the main street of Redcliffe on Most Sundays markets are held. So this will give the ladies something to look at while the men talk cars. Bar B Q lunch, and hopefully it will be nice and breezy there.

BLACKBUTT Q 4306

Telephone: 071-630204
Fax: 071-630625

On 2 March, 1996, the Blackbutt State School will be celebrating its Education Centenary. The highlight of this day will be a street parade with a "Past to the Present" theme.

I would like to invite your club to participate in the parade and also the following festivities on the day.

It is anticipated that assembly time for the parade would be from approximately 10 am and the parade is expected to be over by about 1.30 pm

For your information, Blackbutt is approximately 150 kilometres from the Brisbane GPO in the South Burnett District. Travel from Brisbane is either west from Caboolture or through Ipswich and Esk.

It is intended that if a number of Car Clubs attend, an award would be given for the best presentation.

I will be only too happy to provide further information if you signify your club wishes to

EASTER '96.

The Editor,
Club Newsletter

30th November 1995

Dear Editor,

The Pitstop Bookshop is a new motoring bookshop which opened in July this year. We have approximately 200sq meters devoted purely to motoring books and videos, with over 4000 book titles and 700 video titles in stock at any one time.

I have enclosed a copy of our recent newsletter which I am sure will be of interest to many of your members. We will be very happy to supply copies of the newsletter and also our colour catalogue to any member who gives us a ring on our Freecall 1 - 800 - 622 - 422.

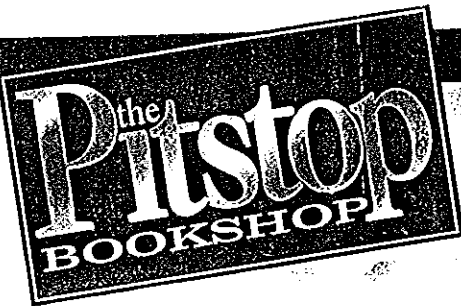

You are very welcome to use any of the information in this newsletter in your own newsletter. If you do, would you please mention The Pitstop Bookshop and our freecall number.

Copies of our future newsletters will be forwarded as they are published. If there is a more direct address you would prefer to be used, please give me a ring on our freecall number and we will arrange it accordingly.

Many thanks,

Kind regards,

Peter Lyster

TOMORROWS TECHNOLOGY TODAY

COMPLETE PROTECTION CENTRE

Unit 5 82 Shore Street Cleveland Old 4163 Ph: (07) 821 1333

16th October 1995

Dear Sir/Madam,

We are corresponding, to relay information concerning our protection products, as we feel you may be interested.

Tuff Tint has been implementing Protection Systems since 1982. Our main aim is to increase the longevity of your new, or not so new motor car. Our products have been extensively tested and are of premium quality.

Some of you no doubt, have ageing vehicles which require extra care as time passes, and our products will certainly fulfill this requirement. The following list will give you a brief run down on the range and what they will do for you.

FABRIC PROTECTION.

- * Is formulated for all fabrics including suedes.
- * Improves the flam resistency of fabric. Complies with D.O.T. Aircraft specifications for reduction of flamability as tested by Australian Wool Testing Authority to certificate number 9/94057 in conjunction with Ansett Airlines.
- * Tested by Australian Wool Testing Authority and passed their most severe abrasion test which simulates 5 years of constant wear.
- * Can withstand drycleaning and steam cleaning.
- * Will last the life of the fabric under normal wear and tear.
- * Oil and water resistant.

PAINT PROTECTION.

- * Now contains TITANIUM, giving increased resistance against U.V. rays.
- * Was the pioneer in Australia of a paint sealant containing TEFLON.
- * Withstands -40deg C to +130deg C heat on applied surfaces.
- * Gives a far superior initial gloss with longlasting gloss retention.

Dear Sir

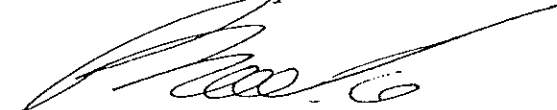

Pacific Plating has recently established a new electroplating facility at 1283 Kingsford Smith Drive, Pinkenba and would like to extend to you an invitation to inspect our plant or telephone us to discuss how we may help you with your electroplating requirements.

Our aim is to provide a reputable service to our customers and to concentrate on quality electroplating for them. We believe in processing customer orders rapidly and at a competitive price.

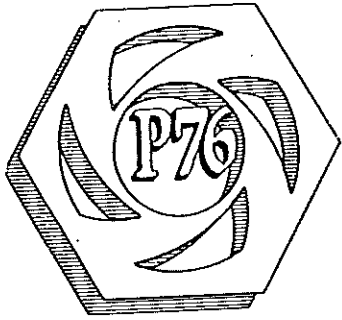

We have initially engineered a Bright Line for Bright Nickel and Chrome, with plans to install an ABS Plastic plating line in the very near future.

Pacific Plating looks forward to being of service to you for any of your electroplating needs.

Yours Sincerely

P H Brooke
