## From the Editors Desk

Hello everyone,

Well, here it is already.....the end of one busy year and the start of the next one. Busy for a number of reasons for the P76. One, of course, for the cars 40<sup>th</sup> birthday. Even though I wasn't there for the event, everyone I spoke to enjoyed their time in Canberra. Displaying their cars and catching up with old friends and making new ones. If you think about it.....40 years is a long time. These cars are getting old!! I suppose, no real surprise that when you start to do a quick overhaul on a P76, you find that there is no such thing. It's all or nothing. That's when you need your club for parts and advice. There are members out there that have been playing with these cars for a long time and it is surprising how much information they have in their heads, but you'll never know unless you talk to them. So the best way is to get to the meetings and the bigger events.

I personally will be trying to get to the Adelaide event in 2015 so this will be a busy year for me if I'm to get a car into good enough condition to make it that far.....and hopefully back. Call it a New Year's Resolution, if you may. I have even rearranged my life lately, to have more time to do the things I like. So no excuses and I had better get a move on!!

And on to another event, It was great to see a big turn out for our Christmas Lunch. It was a nice and hot but the hail definitely cooled things down later in the day. Lucky it was only small. It was nice to see everyone. Even Eric from NZ. A big thanks to Alan Shutz for organizing the day.

From Carol and myself, I hope everyone had a Merry Christmas and a Happy New year. We have been busy with Christmas and family get togethers. I have left doing this newsletter until it is a nice barmy 42 degrees. Cooler tomorrow so we can finish this off.

See you soon..... Graham and Carol

# President's Report

Hi all

On Sunday, 24 November, they came from the north, they came from the south, and they came from the centre to Ipswich, some in their P76s, to enjoy a great Christmas Lunch. This was a great social day. Unfortunately the air conditioning in our area wasn't working which made the beer taste even better. There was a lucky door prize won by Graeme Aitken and a raffle with two draws. First prize which was the No. 76 key ring went to Ann. Second prize of Gavin Farmer's book went to G Williams, Steve's son. Congratulations to all winners and was it a coincidence that all three winners were dining at the one table – The Lucky Table.

After lunch a hail storm passed over Ipswich, however, the hail was smaller than the stones I encountered during the week that put dents all over my ute. Today's hail did not damage any of our Ps which was a relief to everyone. Thanks Alan for organising the Christmas Lunch venue.

There is no meeting in January; however, there are a couple of events members may like to attend on Australia Day. One is held at Ormiston State School and the other one at Samford which is organised by the Samford Museum. We are hoping to get to Samford this year.

I would like to take this opportunity to wish you all a Merry Christmas and Happy New Year. To those travelling, please take care and watch out for other motorists. I look forward to catching up with you all in the New Year.

Merry Christmas and a Happy New Year to you and your families.

Richard
