From the Editors Desk

Hi All,

Well, another month fly's by and I have actually touched one of my cars. I did some work on my Deluxe 6. It is quite amazing what you can find hiding behind a stainless trim on the bottom of the dog leg. I sort of unscrewed it and hit what was behind it with a hammer. By the time all the dirt, rust and whatever the hell else was in there fell out, I was left with this...

The bottom section of the left rear guard (where the spare tire sits) looks pretty religious as well.....

Looks like a good excuse to use the mig welder. On the other side of things, the boot floor and the right guard bottom only had a small amount of surface rust, easily sorted. The rear panel (the one that is

covered by the bumper) has a couple of small holes, but nothing major. I am looking forward to checking out the right dog leg.

I am including a renewal form for you people to fill out and send with some money so we can go to the casino. But seriously, if you have your car on club rego, it should have been paid already. If it is not paid by now, you have no rego, so don't drive it.

I have also included info for next year's Easter National Meet in South Australia.

Most of the pictures in this issue are supplied by Norm Julian, David Place and Glen Gray via posted Facebook threads on the Targa Florio 40th. Thanks, Fella's.

It doesn't look like I will make it to the next meeting "AGM" so see you soon.

Graham and Carol.

President's Report

This month's meeting attendance was down. Maybe it was due to the colder weather.

It sounds like the Targa Florio 40th Anniversary was a great success. Neville Humphries took out the best Targa and David Garlick winning people's choice. Well done team.

Our outing for May was to the Chrome Bumper day at Lakeside. Rogo and Pat, Ann and I and Adrian attended this event all bringing our Ps. It cost \$10.00 per person for entry at the gate, then another \$10 for entry to the track area. Then for another \$10 you could cruise around the track for 20 minutes. We decided not to pay the extra amount and just set up our chairs and watch the action. It was good watching all these old cars cruising around blowing out the cobwebs and some of them sounding really awesome. The cars looked great and the winner of the most chrome was the people's choice of a black Morris Minor truck with lots of chrome.

We are holding the club Annual General Meeting next month and will kick this off with a BBQ at our meeting venue at 7.00pm. The meeting will get underway at 8.00pm. There will be no general meeting that night. I will not be standing for President this year so it would be good to see some new faces on the committee. It is by no means a hard job with everyone helping out and doing their bit for the club which makes it worthwhile.

The yearly subs are due to be paid before the end of June 2014 and you need to be a paid up member to attend the AGM you can pay these on the night.

Every year we say it, and I have to reiterate it again - if you are on Club Rego you cannot drive your car unless your subs are current. This will mean you will have no insurance or current registration if you have not paid by 30 June so get onto it and keep the cars on the road.

Our outing for the month of June is Fish n Chips at Bribie Island. This will be on Sunday 29 June and we will meet at Pat and Rogo's at 8.00am. We do this once a year and it is a good run for the cars, good fish and chips and a really relaxing way to chill. See you there I might even bring Ann along.

Minutes of the Leyland P76 Owners Club Incorporated Qld
General meeting held on Friday 13^h June 2014.
The meeting was opened by the President at 8.10pm.

Attendance: Richard Mallon, Perdita and Keith Nicholson, Adrian Spencer, Graham Dollisson, ,
